## E-Newsletter (Volume-9)

Dear Readers,

*Welcome to the March edition of the newsletter. Every month, Indirapuram Public School, Pratap Vihar releases newsletter to keep the parents, students and everyone associated with the school abreast of the recent academic and extra curricular developments which take place in the school. I urge you to track all these activities of the school so as to become an integral part in the growth of your child and an active member of the IPS family.*

*Happy Reading!*

*Renu Sharma*

# Competition

On 19th March, Wise Time Learning Pvt. Ltd. organized Math- A-Thon for the students of primary and elementary levels to commemorate the 130th birth anniversary of one of the greatest Indian mathematicians, Mr. Srinivasa Ramanujan. Children used maths kit tool to learn maths problems. It transformed the subject into a fun game, thus encouraging the kids to solve large number of maths problems. The students of standard second named Vaibhav Singh, Aditi Singh and Ashi Raghav won prizes under creative work category while Ms. Ruchi Singh was awarded with Creative Teacher Award.

# Inter-school Activity

Our students attended the Inspire Science Camp which was a five days programme. The camp commenced on 26th March under the aegis of Department of Science and Technology, Government of India at Kite Institute of Engineering and Technology. The professors from institutions like IIT, Jamia University, Khalsa College, Delhi University etc. conducted the sessions covering the varied subjects like Physics, Chemistry, Maths, Zoology, Geology etc. The lectures, hands on practice sessions, along with sports made the five days very productive and fruitful. The conclusion of the camp saw the distribution of the certificates and entertaining culture programme. The time, spent in the camp, reenergized the spirit of the students to get ready to welcome the new academic session.

# Workshop

On Saturday, March 24, 2018, Mr Naresh Bhardwaj attended a workshop on Canada- One destination to study abroad. It was organised by Canadian University Application Centre (CUAC). At the Leela Palace Hotel, Chanakyapuri Delhi. The director of CUAC, Mr. Mel Brotiman shared about Canadian education system and its eligibility criteria.

# CBSE Board Examination Center

As a matter of privilege, the school has been chosen as a CBSE Board Examination Centre from academic year 2017-18 onwards for Higher Secondary and Senior Higher Secondary classes. Infrastructure, coupled with strict invigilation and cooperation of CBSE, allowed for successful completion of examination. The school looks forward to work in tandem with the CBSE in near future. All the stakeholders (CBSE), CBSE observers and the school management were satisfied with the unhindered exam process.

## Achievement

It is matter of privilege that Mr. Ashish Mittal, Senior Incharge of the school was chosen as a 'Mentor of Change' of Atal Innovation Mission(AIM) under the flagship project of Niti Ayog, government of India. From Ghaziabad, he has been chosen as one of the six mentors. Mentor India is a strategic nation building initiative with a purpose to engage leaders who can mentor the students in 900+ Atal Tinkering Labs. The labs have been established for the students under Atal Innovation Mission to promote the culture of innovation and entrepreneurship. The school fraternity wishes him success for his future endeavors and congratulates him for his achievement.

## Cumulation

Last Parents- Teachers Meeting for the academic session 2017-18 was held on 3rd April, which saw the maximum participation of the parents. The day was very productive as the parents rejoiced the success of their wards in final exams but at the same time they also accepted their areas of improvement. The progress report was handed over to the parents and they were briefed about the school activities and students' academic performance. On these occasions, the management of the school always gets pleased to listen to the parents' feedback with an assurance to them to take necessary actions in the favour of the students.
